Dear College Bound Athlete, Coaches and Parents,

Full Partner's Farm is proud to host the only camp program aimed specifically at preparing the College Bound Athlete for a college riding scholarship.

Our program will teach your athlete about not only the rules of college riding, but will also cover how to ride the USEA equitation tests, how to improve their own position, how to interview with coaches and colleges representatives and how to develop study habits to be successful at the college of their choice.

We are limiting each advanced session to 14 campers and each CBI session to 16 campers, so that all riders will receive quality instruction. Our staff includes college coaches, and outside riders and clinicians. A non-refundable/non-transferable deposit is required for camps and horse shows. Boarding campers must be at least 12 years old.

We invite you to join us for this educational experience. Please fill out and sign both forms and return to Full Partner's Farm as soon as possible to reserve your space for the week(s) of your choice.

You may want to call or email for availability.

Sincerely,

Denna Johnson
